

**AFTAB KHAN**

The Ontario Institute for Studies in Education (OISE)

**RESEARCH PARTICIPANTS NEEDED! (Male, 16 yrs or older)  
(INDIVIDUALS WITH HIGH FUNCTIONING AUTISM/  
ASPERGER'S SYNDROME)**

**Finding wisdom and identity of people with Asperger's  
syndrome and their relations to quality of life**

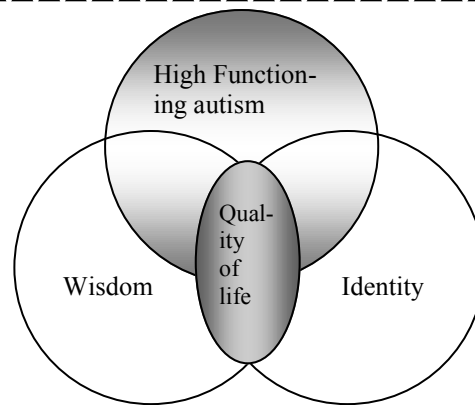

**What does participation involve?**

Interviews will be conducted in the participants' native language. Participant will meet for one session lasting about 45 minutes to 1 ½ hours and will be asked a few questions about their own lives, their lives best decisions, and ideal exemplars of wisdom. The present study will also use standardized measures of wisdom & aspects of identity and well-being. Interviewer will meet participants on their convenient location.

**Confidentiality**

Participant's confidentiality is the highest priority of this study.

The participants will receive a \$20 gift certificate as a token of appreciation for participating in the study.
